**Subject:** 2023 Richmond Young Leaders Annual Sponsorship

Hello, my name is Richard Fronczak and I'm grateful for the opportunity to serve as the 2023 AGC Richmond Chapter Young Leaders President! 2023 will be an exciting year for the Richmond Young Leaders as we have been working hard to keep the momentum from 2022 with the incorporation of some new educational and networking opportunities, including partnerships with other local non-profit organizations. As we move forward this year, I personally would like to invite your company to be a sponsor for the Richmond Young Leaders for 2023.

If you are unfamiliar with the Richmond Young Leaders, the group is a sub-group of the AGC Richmond Chapter focused on providing opportunities for those early in their construction career to get involved with an industry group, and serve as a resource to help train, educate, and send forth the next generation of construction professionals. While the name suggests the group is only for "young" professionals, I like to articulate that the group serves more as a platform for those "young" in their career to get involved with an organization other than just work. If you know of folks in your firms who fit this criteria, and would benefit from our organization, please feel free to put them in contact with me so I can loop them into our discussions and events.

Sponsorship of the Richmond Young Leaders helps provide funding to organize events for those involved with the group at little to no cost. The idea being that if we are able to provide easily accessible events for young construction professionals early in their career, we're able to get good turnout at events, and the next generation will be more connected, educated, and engaged as they continue their careers in the industry. Attached are some photos of events from 2022 that were planned and executed by the Richmond Young Leaders, your sponsorship funds will help to create more opportunities like these for 2023.

This year sponsorship funds will help fund (3) jobsite/vendor site tours specifically for Young Leaders, the March Madness Social, June Cornhole Tournament, and the October Pig & Oyster roast.

On behalf of the Richmond Young Leaders, thank you for your consideration partnering as a 2023 Richmond Young Leader sponsor, we value your commitment to the organization, and look forward to the continued partnership! If there are any questions regarding sponsorship, please feel free to contact Jennifer Gray or myself.

Thank You,
