RE: 2023 Annual Sponsorship Drive

I am grateful for the opportunity and honored to serve as your President of the Richmond District of AGCVA for 2023. I look forward to an exciting year for our district as we continue our work adding value to membership and being a trusted resource for our member companies. As we look forward to the year ahead, I am pleased to personally invite your firm to be a Richmond District Sponsor in 2023.

The Annual Sponsorship Drive is fundamental to the achievement of our collective goals. As a sponsor, your firm is key to the continued growth of district membership. Sponsorship allows us to continue hosting engaging events at a minimal cost to our member companies, which improves district engagement and has a direct and measurable impact on our success. As outlined by the included documentation, your sponsorship also provides recognition of your firm at each Richmond District event, as well as statewide AGCVA publications.

I, and the entire Richmond District Executive Committee, hope that you will become a sponsor for 2023. We ask to receive your commitment no later than February 15, 2023, so that your company name and logo can be included in our district and state publications. We welcome any questions you may have and ask that you please contact Jennifer Gray or myself should you require any additional clarification or information.

Thank you for your consideration and support.

Best Regards,
