

Educational Foundation

\$500 Classroom Grants

Mission

AGCVA Educational Foundation (AGCEF) seeks to support programs and activities throughout the commonwealth designed to attract and train skilled workers to the construction industry.

Vision

AGCEF will support Career and Technical Education (CTE) by providing funding and industry awareness for needed materials in trade-related programs.

Funding Criteria

- Grant funding will be awarded to use in the purchase of construction related materials for CTE classes.
- The geographical territory served is the Commonwealth of Virginia.
- Preferences will be given to high impact initiatives.
- AGCEF will not make continuing funding commitments for any project or activity. For continuing projects, an application for funding must be submitted each year.

Grant Application Procedure

A grant application is to be completed online. All funding requests will be reviewed by the AGCVA Board of Directors. A response from AGCVA staff will be provided for every grant application within 3 months of submission date.

Submissions

All grant requests must be completed using the online form. Questions can be directed to Courtney Baker at courtney@agcva.org or 804-364-5504 x212.

Grant opportunities available.
